New Era Remodeling & Repairs is family owned and operated and was founded by David Sabet in 2008 . David has been in the home remodeling and repair business as well as in construction and the environmental engineering business since 1987. We have been operating in our service areas for more than a decade now. From the first day, our vision has been to provide our customers with the highest quality work at the lowest possible price. This commitment to our customers has helped us to grow from a small local service provider to a well-known company within our service areas. Reviews left by our former and current customers on the internet at websites such as Google.com, YP.com, CitySearch.com, BBB.org, and many other sites, are testimonies to our excellent reputation in quality work and customer satisfaction.
